

## **Hardwork**

Hardwork never dies,  
it is where success  
lies.

There is no speedy  
Elevator to reach  
There,

You need to take slow  
Steps with care.

Do not hesitate to  
Dare,

Yet,make sure you  
Play Fair.

Nevertheless, you  
May Fail,

Rise up and Once  
Again set Sail.

Never quit due to a  
Difficult season,

Remember Your  
Ambition is your  
Reason!!
