A GOODWILL GESTURE BY D.A.V PUBLIC SCHOOL, THANE

When it comes to philanthropy the institution is ever ready to extend a helping hand to the under privileged and marginalized. The school distributed Diyas and sweets to The National Association of Disabled Enterprises in Kannaamvar Nagar, Vikroli(E) on 12.10.17 as a goodwill gesture by the Principal Mrs. Simmi Juneja. It was a touching experience. The differently abled were seen colouring diyas , making paper bags and packing their creative works. Their involvement, dedication to work and quick learning skills could be noticed. Their joy knew no bound when they received a small token of love.
