

## **A STEP TOWARDS CAREER GUIDANCE**

**DAV Public School Thane**, in its endeavour to fulfil students' need and promote holistic development of students conducted an enlightening session of career guidance in collaboration with Rotary Club of Thane for students of class –X on 26<sup>th</sup> September, 2017 as they are at the threshold of making many important choices that shape their career.

The speaker Pamella Ray Jadhav, who is a global career counsellor addressed the students. She focussed on the need for a systematic approach in making career choices : right from identifying your interests to merging your passion into your profession through right career choices for a successful future.

### **The highlights of talk were as follows:**

- \*There are a plenty of options and opportunities available, one must choose a career based on academics, personality, nature of work ( indoor/outdoor), interests/ skills , abilities and aptitude work-life balance etc.
- \*One must explore options and stay connected to reality, the market demand.
- \*Variety of courses available after choosing the stream- Science, Commerce, Arts
- \*Courses in sectors like medical and paramedical , hospitality, education, home-science related, hotel industry , management , mass communication etc.
- \*Scope for education abroad and how to apply for it.

Overall the session was very interesting. Students developed clarity about choosing a career. They were oriented towards the need to identify ones skill set, interest and systematically plan for a successful career.
