## **The Hare and the Tortoise**

Once upon a time there was a beautiful forest. Many animals lived happily in the forest. A hare and the tortoise also lived in the forest.

One day a hare and a tortoise had an argument about who runs faster. So they decided to run a race . When the race began, the hare ran very fast and the tortoise walked slowly .After a while the hare was very tired. So he decided to rest under a tree.

After sometime when the hare woke up, he was shocked to see the tortoise near the winning post .The hare ran very fast but could not reach the winning post before the tortoise. The tortoise won the race.

**Moral : Slow and steady wins the race**
