

Guru Purnima

Celebrating “Guru Purnima” has been a custom followed at D. A. V. Thane. On July 10, 2017 the students of Std X performed a skit on “Chanakya and his Ministers in the Assembly”, to remember the importance and contribution of Guru in a person’s life. The students could bring out the impact a Guru leaves on the students and the age-old tradition of “Guru Shishya Parampara”. A song praising Guru was also sung in the assembly and witnessed a wide round of applause. A speech recalling the relationship a Guru shares with his students was also given in the assembly to mark the Grand event in the Indian calendar.
