

INDEPENDENCE WEEK CELEBRATION 2017-2018

Celebrating Independence is not only a cause of happiness but a symbol of pride for every Indian. Aiming to instill a similar spirit of gratitude and understanding for our freedom struggle, D.A.V. Public School, Thane has recently celebrated the Independence week.

Students of Std. I immersed themselves in a true patriotic fervor by participating in a Flag Making Competition. Students of Std. II solved the fun filled worksheet based on the true spirit of patriotism. These activities helped the children to become aware of the National Emblems and Leaders.

The students of Std. III enthralled the audience with their mellifluous rendition of patriotic songs which was conducted housewise and the students of Std. IV made creative badges with tri colour theme.

Not only this, the students of Std. V filled the environment with the vibrant uses of tricolor in a Tie and Dye competition. The students coloured their handkerchiefs in different patterns and designs using tricolours of our National Flag. There was a Quiz Competition for the students of Std. VI. The students truly exhibited their commitment to excellence and focused effort.

Through such competitions the school strives to ensure holistic development of students through sensitivity, cultural appreciation, and love for our Motherland.
