It feels nice to top the class. A continuous and effective guidance from my teachers and motivation from parents helped me achieve this success. Our energetic school culture helped to focus on the studies as well as other activities like sports, Scout and Guide and different club activities.

Gitanjali Jain

As a class teacher of Std VIII, I motivated the students by giving examples of students who excelled in the previous years and developed interest in the subjects through various activities.

Shadaf Khan

My daughter, Gitanjali Jain is studying in DAV Thane since Nursery class. The teachers have always supported and put in lot of efforts in developing her personality and increasing her level of knowledge. We are thankful to the entire staff, especially Principal Madam for maintaining such a high level of discipline and education in the school. This school is a great place of learning and developing socially responsible citizens.

Minakshi Jain

I feel overwhelmed as it is beyond my expectations and this is the most memorable phase in my life. My teachers and parents provided constant support and advice and consoled me whenever I was stressed. I could achieve this success with lot of hard work and sincerity.

Aakanksha Baijal

I am very happy that I could achieve this success with the help of all my teachers and their excellent support. My teachers and parents were the pillars & source of strength. Staying focused and disciplined study are the keys to my success.

Soumil Kelkar

At this hour of jubilation, I sincerely acknowledge and appreciate all the earnest efforts of the DAV Management, teaching faculty, parents and above all the students for achieving excellent results and 100% pass percentage in the AISSE March 2017, consecutively for the 19<sup>th</sup> year.

My heartiest congratulations and deepest gratitude to all the teachers for their sustained efforts, relentless hard work, everlasting motivation, patience and above all their care and concern for the betterment of the students. I am grateful to all the parents for their valuable co-operation that they have been extending for the progress and development of the school.

The school flag shall remain flying high. We will not rest on laurels achieved but will strive for greater heights.
