

D.A.V. PUBLIC SCHOOL, THANE

SESSION: 2023 – 2024

REPORT ON MAHATMA HANSRAJ CLUB ACTIVITIES

Without doubt the largest non-governmental educational organization in the world is the chain of Dayanand Arya Vedic schools and colleges spread over the length and breadth of the country. To date it has 669 colleges, schools, professional and technical institutions. Hundreds of thousands of boys and girls owe their career to this multi-faceted set-up. Believe it or not, they owe their achievements and status to a frail young man of very modest means, who decided to dedicate his entire life to the cause of education. He was like a tiny seed from which sprouted a mighty banyan tree, which dropped its branches to sprout more banyans till they covered the entire country.

This young man was Hans Raj who was born on 19 April 1864. he was an Indian educationist and a follower of [Arya Samaj](#) movement founder, [Swami Dayanand](#). Hans Raj led the country from the darkness of ignorance to the enlightenment of knowledge.

To commemorate the 159th Birth anniversary of Mahatma Hansraj, one of the greatest Arya Samaj Activist & founder of DAV Institutions, DAV Public School Thane, organised a special assembly on 19th April 2023. Tributes were paid to the great soul by singing a song by the students.

A speech on the life history of Mahatma Hansraj was delivered by Ms. Ranju Rai. She expressed her thoughts on the occasion saying that Hansraj's religion was the religion of mankind as it teaches us to be prompt to serve the needy and helpless people.

Highlighting the life history of Hansraj, she said that the former went to serve the affected people willingly wherever the natural calamities like famine, flood occurred. His selfless action gives nobility to human life.

Hansraj rendered his selfless service in the interest of mankind. He worked as Principal for 25 years without taking even a single penny and committed the rest of his life in [social service](#). He felt that education is the key for the development of mankind.
