

NOTICE

Due to sharp hike in Covid cases, the declaration of list of Shortlisted Candidates for Jr. KG Admissions for the academic year 2021-2022 is postponed to Saturday, March 27, 2021.

We have received Admission applications for Jr kg of over 300 children in the sibling category itself. Total number of applications received is in excess of 1200. Under the circumstances you can well appreciate the sanctity of keeping priority for applicants already having a sibling enrolled in our school.

Thus in keeping equity to all, Lucky Draw will be conducted as there are many applications and the video of the lucky draw will be uploaded on YouTube on March 27, 2021 at 3.00 pm.

The selected list of candidates will also be put on the school website and will be displayed on the notice board near the school gate.
