

**D.A.V PUBLIC SCHOOL, THANE**  
**2020-21**  
**SECONDARY SECTION**  
**ONLINE FELICITATION OF CLUB ACTIVITY WINNERS**

***“There are no secrets to success. It is the result of preparation, hard work, and learning from failure.” –Colin Powell***

**"Winning is not important but taking part is important"** Winning is our ultimate aim to succeed. But unless we take part in the competition or event, we do not have chance of winning. It's important to reward children's achievements, big and small, in a way that keeps them motivated. We're proud when they try their best, no matter where they finish. Teaching children to never give up on their dreams and encouraging them with whatever they do should be the guiding principle of teachers.

To enhance the spheres of learning beyond school boundaries and creating learners for the 21st century, D.A.V. Public School, Thane organised an online felicitation ceremony for **Std VI & VII** on **13.02.2021** to acknowledge and applaud the achievements of the students who showed exceptional performance in extra curricular and co curricular activities. The programme began with the Gayatri Mantra. A Power point presentation was shown to the children showcasing names of winners in different categories of extra curricular competitions conducted till date. The children participated with full energy, excitement and hope. The children also expressed their gratitude to their teachers and pride to be part of this esteemed educational institution.

It was indeed gladsome to see the smiles of the kids at the end of the session. The boundless joy of celebrating the event was visible on the faces of all the children. The session was thus a grand success.
