

D.A.V PUBLIC SCHOOL, THANE 2020-21
PRIZE DISTRIBUTION CEREMONY
“AWARD TO EXCELLENCE”

STD – VII

“The way to develop the best that is in a person is by appreciation and encouragement”.

D.A.V Public, Thane on 13th Feb 2021 in view to keep the competitive spirit alive in the hearts of its learners, conducted an online prize distribution programme for the students of STD VII on virtual platform. The online felicitation ceremony began at 9 am in the morning. It was an hour ceremony which highlighted the achievements of students who participated in various activities throughout the year with great zeal. Winners from all the sections of STD VII were awarded with E certificates for performing exemplary on various activities.

Club activities based on different categories such as Art, Music, Oratory, History, Science and technology made students exposed to different arenas as they were constantly challenged to innovate something new. All these activities held on the virtual platform, from the month of June till January.

The long lockdown for the COVID-19 pandemic has closed schools, colleges and other educational institutions but has opened the creative minds of children sitting at home to enjoy life in a different perspective. It was indeed astounding to see how beautifully students had put their thoughts and insights to perform these activities throughout the year. It did not let the students feel the absence of actual classroom, as it provided them a great platform to nurture their innate talent and also helped the budding talent bloom.

The prize distribution programme indeed brought about a sense of positivity, hopefulness and innate strength of striving for excellence.

The following are the glimpse of the programme:
