CLUB ACTIVITY REPORT–AUGUST MONTH
PATRIOTIC CLUB

WHERE THE MIND IS WITHOUT FEAR
AND THE HEAD IS HELD HIGH...

Independence is an honor and a great gift. A wholehearted salute to the great sacrifices made by our leaders for a free and independent nation of the world. During this holy month, on the occasion of **75th Independence Day, D.A.V PUBLIC SCHOOL, THANE** celebrated the patriotic vehemence with great zest and zeal infused with patriotic fervor and pride.

Keeping in mind the patriotic enthusiasm, with a feeling of belongingness in making our today for a better tomorrow, the school commemorated the glory of country's progress by enabling students to imbibe the feeling of unity and also by taking effective steps to remember the real heroes of our nation by conducting different activities. The gamut of celebration held at the virtual platform consisted of plethora of activities which undoubtedly filled their heart with immense respect and love for the motherland.

The celebration of unprecedented patriotism and pride, undoubtedly, witnessed the swarm of participants in every genre, whether it was...

1.Role Play- My favourite freedom fighters or unsung heroes

2.Poster Making - The Things I Love about My Country

3.Documentary / Video Making - The Achievements of India in the field of Science and Technology

The ingenious budding stars of D.A.V Thane veritably showcased a plethora of creative performance so candidly featured by them. Their effort can be witnessed manifold. In order to root confidence and respect for one's nation, **Role play activity** was conducted during the online classes. Students played the role and spoke on their ***favourite freedom fighters or unsung heroes*** which helped them to read and gather more information about the sacrifices of our great heroes.

Needless to state that, the students' appreciative effort and their interest in **Poster making** aimed at developing the aesthetic sense of the students. Students of all the classes made vibrant posters based on the theme, ***"The Things I Love about My Country"***. Their posters represented the glory of India which was unquestionably a picture worth a thousand words.

Furthermore, the participation of students for the **Documentary or Video making** can be also witnesses for their creativity and inquisitiveness. The topic for the same was ***"The Achievements of India in the field of Science and Technology"***. They left no stone unturned to prepare the documentary/video with great enthusiasm.

All the activities conducted under Patriotic Club helped students in not only exhibiting their love for the country and remarkable patriotism but also enhanced their skills.

Ask not what your country can do to you; ask what you can do for your country".
