LET US CELEBRATE OUR MOTHER NATURE WITH LOVE & RESPECT

“Let’s nurture the nature so that we can have a better future”

In conjunction with Environment Day, D.A.V, Thane is organizing a series of activities to showcase India’s hold to revitalize global commitment to reduce carbon emission as a part of G20 summit. This day provides us with an opportunity to reflect on our role in preserving and protecting our environment. It is essential for all of us to come together and contribute towards sustainable practices that can help build a better future.

In an effort to make this initiative more effective and successful, Environment Club offers a plethora of activities, wherein the children can explore their talent and creatively present their views on different environmental issues.
