Dear Parents, Greetings!

CBSE READING MISSION - NATIONAL READING DAY AND READING WEEK

Reading is a fundamental skill that serves as the cornerstone of education and personal development. According to the National Achievement Survey, proficient reading skills correlate directly with academic success across subjects.

The National Education Policy (NEP) of 2020, also emphasizes providing access to high-quality children's literature to cultivate a reading culture across the country.

To inculcate reading as a habit, **19th June is celebrated as National Reading Day** every year to honour the legacy of the late P N Panicker, the father of the Library Movement. The school encourages students to participate in this initiative through a range of engaging activities conducted from **19th June to 18th July**.
