

**D.A.V. PUBLIC SCHOOL, THANE**  
**MODEL UNITED NATIONS - DIPLOMACY: THE PATH TO PEACE**

“Diplomacy is the art of building bridges where there are none and strengthening them where they are weak ensures peace and harmony in the world.” This year, DAV THANE MODEL UNITED NATIONS 2024-2025 embodied this spirit by bringing together students from classes VI to XII to engage in dialogue, negotiate complex topics, and explore solutions to global issues through mock UN sessions. The conference conducted every year continues to be a dynamic platform that empowers youth to step into the roles of diplomats, fostering skills in negotiation, critical thinking, and collaboration. The 7<sup>th</sup> DAV THANE MODEL UNITED NATIONS 2024 (DTMUN 2024) was conducted on 26<sup>th</sup> October 2024.

Ms. Rajashree Dash, highlighted that participation of students in DTMUN is to foster negotiations, communication skills, critical thinking, teamwork and leadership abilities in students.

More than 5000 delegates from STD VI – X, were placed in different UN committees like UNSC, UNEP, UNCSTD, ECOSOC, and UNICEF. These delegates of more than 50 countries conducted researches, formulated positions, discussed and debated with their fellow delegates in the committee. In GSL – General Speakers’ List, the delegates addressed the issues ranging from Marine Ecosystem, Health Care, Climate Change, Cyber Security, Conflict Resolution among many others with clarity and precision. Lok Sabha, a stimulation of Indian parliament addressed various issues like revocation of special status of Kashmir, economic and social reservations and reviewed the 9 years of NDA government at the centre.

Building on the successes of previous years, DTMUN 2024-2025 expanded its vision by introducing a Youth Parliament for the first time in the conference's history. The Youth Parliament enabled delegates to simulate real-world parliamentary procedures and debate national issues that impact the youth and broader society.

The school appreciates the hardwork and timeless efforts of the Directors, Assistant Directors, members of Media Team, Photography Team, Art Committee and the Best delegates. The school believes that this conference enhanced the students' self-confidence and showed them the right path to build tolerance, accountability, adaptability and strength as young leaders of tomorrow”.

DTMUN continues to build a legacy of diplomacy and education, positioning itself as a model of innovation in the MUN community. The inclusion of the Youth Parliament in 2024-2025 marked a significant step forward, offering students a unique chance to engage with national issues

alongside global ones. As DTMUN continues to evolve, it remains committed to empowering youth to be proactive global citizens, prepared to contribute thoughtfully and constructively to both local and international communities.

In its mission to inspire and educate, DTMUN 2024-2025 has proven that today's youth are not just the leaders of tomorrow – they are prepared to make a meaningful impact today. In the words of Swami Dayanand Saraswati, “A true diplomat respects every individual and culture, for peace cannot be achieved without recognizing the inherent dignity of all.”
