**Dear Parents,  
Greetings!!**

*“Develop a passion for learning. If you do, you will never cease to grow.”*

It's been a pleasure to have our students back on the school campus. The classrooms have become lively again.

As everything has started falling into place, life has returned to its normal routine. We too are slowly and steadily trying to help our students to get re-acquainted with school procedures and the evaluation.

In an initiative to maintain the momentum of learning and introspection of the progress made by students, before we close for the summer vacation, class revision tests will be conducted.

- This will be a class revision worksheet of 10 marks and will be conducted during regular school hours.
- The students will write the responses of questions in the worksheet itself
- Date sheet and portion for the same are shared below
