AWARENESS CAMPAIGN FOR DYSLEXIA

“Everyone learns differently — and that’s something to celebrate.”

Dear Parents, Greetings!!

The month of October is recognized worldwide as Dyslexia Awareness Month, dedicated to spreading awareness and understanding about dyslexia — a learning difference that affects reading, writing, and spelling skills, while having no impact on intelligence or creativity.

To mark this important occasion, our school is organizing a **“Dyslexia Awareness Campaign” on 28th October 2025**. Through engaging and thoughtful activities, we aim to encourage empathy, inclusion, and awareness among our students.

The activities planned for **Class V** are as follows:

- **Sections A, B, C:** *Poster Making* on the theme “Understanding Dyslexia”
(Students are requested to bring their own drawing sheets and colouring materials.)
- **Sections D, E, F, G:** *Walk for Dyslexia* – spreading awareness through slogans and placards
- **Sections H, I, J:** *Movie Screening* – an inspiring film highlighting learning differences and perseverance

These activities will help students understand the importance of acceptance, support, and celebrating diverse learning styles.

We look forward to your cooperation and encouragement in making this campaign a meaningful and enriching experience for all students.

Thanking You,

Warm Regards,

Mrs. Simmi Juneja

Principal
