SCHOOL PICNIC – KIDZANIA MUMBAI

To provide a fun and engaging experience for students outside the classroom, our school D.A.V. Public School, Thane organized an unforgettable picnic for Std I to KIDZANIA MUMBAI on 05.12.2024 (Div.: A, B, C, D, E, F, G, H, I).

The day commenced with an excitement as students gathered at the school premises, bubbling with enthusiasm. The buses arranged for the trip, created an atmosphere of anticipation. The journey to KIDZANIA MUMBAI was filled with laughter, chatter and occasional sing-along. They were served light snacks and juice in the bus, making it a memorable part of the overall experience. The buses reached the venue and kids were guided inside the play zone by the event organisers, teachers and venue staff. Everyone was so excited. We got our special KIDZANIA bracelet that kept us safe and connected to our group. Children got Earning and Spending KidZos as they entered. They learned that they could earn more KidZos by working in different places, like a doctor, firefighter, chef or pilot.

They could use their KidZos to buy fun experiences or goodies. After working hard, they spent their KidZos at the KIDZANIA store. There were toys, stationary and so many cool things to choose from. Some of them enjoyed the dance studio and tried their hand at becoming DJs at the music station. KIDZANIA was not just fun-it was a place where they learned about teamwork, money and how different jobs work. It made children feel responsible and grown up. The students were served with delicious lunch. The picnic concluded with the dance on some peppy music by the students. The students boarded the bus and came back to school rejuvenated.

In conclusion, the school picnic was a resounding success, leaving a trail of cherished memories for everyone involved. Such event plays a crucial role in the holistic development of students, promoting social skills, teamwork, and a sense of adventure that goes beyond the confines of the classroom.

The success of the school picnic would not have been possible without the dedicated efforts of the organizing committee, teachers and supporting staff. Their hard work and commitment ensured that the day was not only enjoyable but also safe and well-coordinated.
