

D.A.V PUBLIC SCHOOL,THANE.

ECO CLUB ACTIVITY REPORT (2023-24)

Go Green, Breathe Clean

This year, in DAV Public School, Thane, the Eco Club activities were based on the theme ‘Vasudhaiva Kutumbakam’ or ‘One Earth · One Family One Future’, which was the theme of this year’s India’s G20 presidency. The club activities were designed to encourage a responsible lifestyle and spread awareness about the importance of environmentally sustainable choices for creating a cleaner, greener, and bluer future.

As a part of the celebration, the guest speaker, Mr.Vinay Kumar Singh, a founder member of an NGO - Shivshanti Pratisthan was invited to speak on the topic and promote awareness for a ‘Clean and Green Planet’. The NGO has planted more than 1800 plants, holds Swachhta Abhiyaan every year and also holds huge rallies for spreading awareness on cleanliness and healthy lives.

Mr.Singh spoke extensively to students about the importance of a healthy lifestyle, which can contribute towards a better and cleaner environment. He also had one-to-one interaction with students, in which students expressed many ways to contribute towards the cause in their small way. A peaceful rally was organized by the students within the school premises to highlight the importance to take initiative towards a cleaner environment. They also participated in various activities like making carry bags from old clothes and beautiful organizers from cardboard boxes, under ‘Best out of Waste Activity’. Students also wrote reviews on documentaries based on environmental issues, which were screened in the school.

There was an extempore competition on the topic “Vasudhaiva Kutumbakam” (One Earth, One Family, One Future) and group discussions on the topic ‘Environmentally Sustainable and Responsible Choices’ at individual and national levels. A collage-making activity was also performed by the students, wherein they made collages of pollution facts.

At the end of the month, the results of the competitions were declared and the winners were awarded with certificates. Altogether, it was a fruitful event.
