National Intellectual Property Awareness Mission (NIPAM): Skilling Students and Teachers on IPR and Innovation

National Intellectual Property Awareness Mission (NIPAM) is a flagship program of Ministry of Commerce and Industry, Govt. of India to offer basic intellectual property (IP) training and instill foundational knowledge of Intellectual Property Rights (IPR) in educational institutions. The aim of NIPAM is to nurture the students to inculcate the spirit of creativity & innovation and ignite, inspire them to innovate and protect their creations.

Students can join 'IP Innovation Club' to focus on entrepreneurial and innovative instincts by clicking on the following link:

https://www.yuvamanthan.org/registration?registration_type=url&count=4&type=Student&instituteId=25659

Teachers can join 'IP Innovation Club' to focus on entrepreneurial and innovative instincts by clicking on the following link:

https://www.yuvamanthan.org/registration?registration_type=url&count=4&type=Teacher&instituteId=25659

You can go through e-Modules on NIPAM to know about details of Intellectual Property (IP).

You will receive a basic digital certificate course of NIPAM for students and teachers.

Students can take part in the e-Pledge for Viksit Bharat at www.yuvamanthan.org/NIPAM.

Regards

DAV Public School, Thane
