POTTERY WORKSHOP- Hands-on Learning Opportunity

Dear Parents
Greetings!!!

“Pottery is the art of shaping earth with your hands & soul.”

This festive season, let us celebrate Diwali with creativity and kindness! Our school is organizing a Pottery Workshop where students will learn the beautiful art of clay modeling and create decorative diyas.

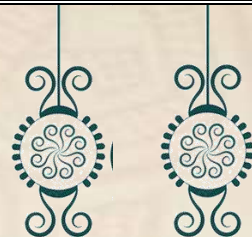

The Professional expert will guide students to prepare the clay, making of diya on a potter's wheel, learn to mould clay and add finishing touches. The fee amount for diya making workshop is Rs. 100/- each. (All the material will be provided by the school)

The best part of the workshop is that the clay diya made by students will be displayed and sold during our Diwali Charity Sale. The proceeds will be donated for a noble cause, spreading the true spirit of Diwali – sharing and caring.

This workshop aims to nurture creativity, enhance concentration, and encourage artistic expression through hands-on learning experience.
