**Dear Parents, Greetings!!!**

This is to inform you that the **Ministry of New and Renewable Energy, Govt. of India** is organising an All-India Intra-School Painting Competition -**SOLART** for the school students across the country under the PM-Surya Ghar: Muft Bijli Yojana. The Theme of the competition is "**Solar Energy: Powering a Sustainable Future**".

The objective behind SOLART is to instill the benefits of solar energy among the students while fostering creativity and artistic expression among them. The idea is to make them clean environment crusaders from a very early age, in their own households to begin with and also in their immediate neighbourhood.

Interested students shall prepare accordingly and give their names to their respective art teachers latest by **Monday, 11 November 2024**.

We look forward to an enthusiastic participation in making this event a grand success.

We thank our parents for their continuous support in promoting creativity and innovation among young minds.

**Regards**

**D.A.V Thane**
