SESSION:2023-2024

Date: 12.12.2023

Ref:DAV/Thane/2023-2024/ Cir 102

Dear Parents,

Warm Greetings!!

Millets are nutrient-dense complete food articles and the year 2023 has been declared as International Year of Millets (IYOM) by the United Nations. This global initiative aims to raise awareness about the nutritional benefits, resilience, and sustainability of millets. As part of our commitment to promoting healthy and sustainable food choices, we are enthusiastic about participating in this international celebration.

This International Year of Millets provides an excellent opportunity for us to highlight the importance of millets in achieving global food security and promoting sustainable agriculture.

To commemorate Millets International Year, we have planned a series of activities from 19th December to 21st December 2023 for Std III to V.

Std III :Poem Recitation on Millets

Std IV: Jingles on Millets

Std V: Quiz on Millets

We kindly request parents and guardians of students in STD 1-5 to consider including millet-based dishes in their children's lunchboxes on 19th December 2023.

We encourage all students to actively participate in these initiatives and contribute to the success of Millets International Year. By doing so, we not only support a global cause but also contribute to building a more sustainable and resilient future.

D.A.V. Public School, Thane in collaboration with We Together Foundation, Grain Bank Concept would like to donate Millets to various NGO's and Orphanages. Interested students of Std. 5 to 7 will bring 250gm. of Jawar/Bajra for the charity on Tuesday,19.12.2023 and submit it to their respective class teacher.

Regards

Mrs. Simmi Juneja
