

LITERATURE CONCLAVE

Literature Enclave is an integral part of the educational environment that promotes a deep appreciation for literature, reading, and writing among students. This space is often designed to be a heaven for literature enthusiasts, serving as a hub for literary discussions, activities, and creative expression.

It is rightly said that books train our mind to think big and different. This was evident, when DAV public school, Thane organized a Literature Conclave, where two eminent authors- Mrs. Archana Garodia Gupta and Ms. Reeta Ramamurthy Gupta were invited to have interactions with students and teachers on 26th October 2023.

The theme of the discussion was **Developing Reading As A Hobby As Well As A Skill**.

The authors explained how reading helps us to develop our imagination and have an amazing experience.

Reading enables us to dwell into the authors' imagination and absorb the message that they want to convey. Reading also helps the reader to enhance vocabulary, confidence and communication skill.

Students were immensely excited and enjoyed one on one talk with the authors about their work and the journey being an author. They were taken back in the history, when the authors talked about Savitri Bai Phule and some prominent women rulers of our country. Author Mrs. Archana Garodia shared interesting facts about the rulers of ancient and medieval era captivating the students as well as the teaching fraternity. They both spoke about their upcoming books and the inspiration that led them to author them.

The teachers at DAV too, were enlightened and mesmerized by the knowledge and some new facts imparted by the special guests. The sessions were extremely empowering and enriching and each minute of it was worthwhile.
