SESSION: 2026-2027
DATE: 5th NOVEMBER 2026

DIWALI BEYOND LIGHTS – A CELEBRATION WITH RESPONSIBILITY

D.A.V. Public School, Thane, celebrated the festival of lights with great enthusiasm and fervour on 5th November 2026. Moving beyond the traditional festivities, the celebration was centred around the theme "Diwali Beyond Lights – A Celebration with Responsibility!", encouraging students to explore the cultural heritage, timeless values and deeper significance of this beautiful festival.

Students from Standards VI to XII participated enthusiastically in a series of engaging, creative and thought-provoking activities, transforming themselves into Diwali Awareness Ambassadors.

Students of Standards VI to VIII showcased their creativity through Infographic Designing on the theme "Create to Educate – My Diwali, My Responsibility!" Their creations highlighted the story behind Diwali, the return of Lord Rama to Ayodhya and the festival's enduring values of kindness, gratitude, sharing, unity and the victory of good over evil.

Students of Standards IX and X explored India's rich cultural diversity through Diwali Heritage Storyboards. Their presentations showcased unique regional traditions, traditional art forms, intricate rangoli designs, festive attire, sweets and customs associated with Diwali.

Taking the celebration a step further, students of Standards XI and XII participated in "Voices of Heritage – A Diwali Podcast/Digital Interview." Through meaningful conversations with teachers, parents and community members, they explored the origins of Diwali, cherished memories, evolving traditions and the younger generation's responsibility towards preserving cultural heritage and protecting the environment.

Adding vibrancy to the celebrations, students enthusiastically came up with numerous activities and creative expressions that brought the festive spirit alive across the school. Classrooms were beautifully adorned with colourful decorations, traditional motifs, vibrant rangolis and festive displays, creating an atmosphere filled with joy and cultural splendour. A special highlight was the captivating shadow presentation of the Ramayana by the students of Standard VII, who creatively brought the timeless epic to life through silhouettes and storytelling. Their performance beautifully portrayed the values of courage, devotion, righteousness and the triumph of good over evil.

The celebration also featured a special assembly on "The Spirit of Diwali – Beyond Lights, Beyond Celebration," featuring a student talk highlighting the significance of Diwali and the timeless values it teaches us.

The celebration served as a reminder that festivals are not merely occasions for merriment but opportunities to connect with our roots, preserve our traditions and embrace our responsibilities towards society and the environment.

This Diwali, let us illuminate lives with kindness, spread the light of wisdom and become the light of change!
