

REPORT ON NAVRATRI CELEBRATION

STD I TO V

Navratri is one of the most revered Hindu festivals celebrated over nine days, honoring Goddess Durga and her nine forms. It holds immense cultural, spiritual, and social significance across India. Navratri represents the triumph of good over evil. Each day of the festival is dedicated to worshipping a different form of Goddess Durga, symbolizing purity, power, and protection.

The vibrant and colorful festival of Navratri was celebrated in our school with great enthusiasm and excitement. The event aimed to bring students closer to Indian culture and celebrate the joy of Navratri with dance, music, and traditional attire. The school stilt area was transformed into a vibrant celebration zone, decorated with colorful lights, traditional motifs, and flower arrangements.

The event spanned over five days starting from 4th October for Std 1 and 2, 7th October for Std 5, 8th October for Std 4 and 9th October, 2024 for Std 3.

The event started with special assembly on these days, where students shared importance of Navratri and sung Navratri songs. Teachers gave value speech on the significance of nine days of Navratri and how it resembles the nine Durga.

Students were encouraged to dress in traditional Garba attire, with girls in chaniya cholis and boys in kediyus and performed the tradition dance called Garba on the traditional songs of Garba.

Garba dance holds a special place in Indian culture, particularly during the Navratri festival. Originating from Gujarat, it is a joyful and vibrant folk dance with deep-rooted cultural, religious, and social significance.

The Garba event was a great success, filled with music, laughter, and cultural pride. It provided students with an opportunity to connect with their heritage and enjoy the festivities together. The event was a memorable experience for everyone involved and fostered a sense of community, unity, and appreciation for Indian culture within the school.
