| <b>7.00 am - 7.15 am</b>            | <b>ASSEMBLY</b>   |                |              |
| 7.15 am to 8.00 am                  | Makecode Arcade - Make a Game & Photo Session                             | VII A          | Computer Lab |
|                                     |   | VII B          |              |
|                                     | Debate - Should coding be a mandatory subject in schools for all students | VII C          | Class Room   |
|                                     |   | VII D          |              |
|                                     | Flowchart making with paper cutting                                       | VII E          | Class Room   |
|                                     |   | VII F          |              |
| Draw your own Robot and colour it   | VII G   | Class Room     |              |
|                                     | VII H   |                |              |
|                                     | VII I   |                |              |
| 8.00 am to 8.45 am                  | Workshop on Coding Fundamentals   | VII A          | Stilt area   |
|                                     |   | VII B          |              |
|                                     | Makecode Arcade - Make a Game & Photo Session                             | VII C          | Computer Lab |
|                                     |   | VII D          |              |
|                                     | Debate - Should coding be a mandatory subject in schools for all students | VII E          | Class Room   |
|                                     |   | VII F          |              |
| Flowchart making with paper cutting | VII G   | Class Room     |              |
|                                     | VII H   |                |              |
|                                     | VII I   |                |              |
| <b>8.45 am to 9.10 am</b>           | <b>RECESS</b>   |                |              |
| 9.10 am to 9.55 am                  | Draw your own Robot and colour it   | VII A          | Class Room   |
|                                     |   | VII B          |              |
|                                     | Workshop on Coding Fundamentals   | VII C          | Stilt area   |
|                                     |   | VII D          |              |
|                                     | Makecode Arcade - Make a Game & Photo Session                             | VII E          | Computer Lab |
|                                     |   | VII F          |              |
|                                     |   |                |              |

|                     |   |       |              |
|---------------------|---|-------|--------------|
|                     | Debate - Should coding be a mandatory subject in schools for all students | VII G | Class Room   |
|                     |   | VII H |              |
|                     |   | VII I |              |
| 9.55 am to 10.40 am | Flowchart making with paper cutting                                       | VII A | Class Room   |
|                     |   | VII B |              |
|                     | Draw your own Robot and colour it   | VII C | Class Room   |
|                     |   | VII D |              |
|                     | Workshop on Coding Fundamentals   | VII E | Stilt area   |
|                     |   | VII F |              |
|                     | Makecode Arcade - Make a Game & Photo Session                             | VII G | Computer Lab |
|                     |   | VII H |              |
| VII I               |   |       |              |
| 10.40am to 11.25 am | Debate - Should coding be a mandatory subject in schools for all students | VII A | Class Room   |
|                     |   | VII B |              |
|                     | Flowchart making with paper cutting                                       | VII C | Class Room   |
|                     |   | VII D |              |
|                     | Draw your own Robot and colour it   | VII E | Class Room   |
|                     |   | VII F |              |
|                     | Workshop on Coding Fundamentals   | VII G | Stilt area   |
|                     |   | VII H |              |
| VII I               |   |       |              |

**Note:**

1. **Students who want to take part in Debate will give the names to the Class Teacher. Few students will speak FOR the topic and few will speak AGAINST the topic.**
2. **For Flowchart activity, students will bring Coding Text Book, A4 sheet and coloured marble paper for different shapes, small scissor and glue.**
3. **For Draw your own Robot activity, students will bring A4 sheet and colours.**
4. **Students will carry computer notebook for noting the points in the workshop.**

**Thanking you for your continuous support and cooperation.**

**Regards**

**Ms. Simmi Juneja  
Principal**
