‘Vigilance is indispensable to be safe’

Vigilant citizens create a vibrant and a real democracy which in turn ensures the fruits of prosperity reach the last person. Today’s children, tomorrow’s future - should develop the quality of being wakeful and alert. This was the aim of the school for observing the ‘Vigilance Awareness Week’.

A vigilant individual is aware of the surroundings and safeguards himself. Keeping the core message in mind D.A.V. Public School, Thane celebrated ‘Vigilance Awareness Week’ from 30st October 2023 to 5th November, 2023. The theme of this year was “Say No to Corruption; Commit to the Nation”. The week began with an ‘Integrity Pledge’ in the assembly. The importance of the pledge was explained beforehand. During the week students were made aware of the need to be vigilant, and participate in making the nation in to a corrupt free society.

A highly interactive session was conducted for the students of XI & XII on 4th November, 2023 on ‘Say No To Corruption’. The aim of the session was to raise awareness about corruption and promote a corruption-free working environment. Discussion was conducted on what is corruption, ways to combat corruption and the formation of vigilant commission. Students were encouraged to be optimistic & to have a positive approach to fight against corruption. Doubts of students were solved by giving day to day examples. Students shared the incidents they encountered in their life and the casual approach of people indulging in corrupt practices. The discussion brought to light the level of awareness the students possess and the ill-effects of corruption from different angles.

Overall the “Vigilance Awareness Week’ was a great success.
