E-WASTE AWARENESS CAMPAIGN AND COLLECTION DRIVE

Dear Parents and Students,

In alignment with the recent directive issued by the Central Board of Secondary Education vide **Circular No. Acad-59/2026** DAV Public School, Thane, is proud to participate in the nationwide '**E-Waste Awareness Campaign and Collection Drive**' under the aegis of Eco Clubs for **Mission LiFE** (Lifestyle for Environment).

As digital adoption grows, so does the volume of electronic waste (e-waste). Improper disposal of e-waste poses serious threats to the environment and human health. This campaign aims to sensitize our student community about responsible e-waste management through the principles of 'Repair, Reuse, and Recycle'.

Campaign Objectives:

- To educate students on the environmental impact of electronic waste.
- To encourage responsible disposal practices at home and in the community.
- To actively collect e-waste to ensure it is processed through authorized recycling channels.

Collection Drive Details:

We request all students and parents to contribute by depositing old, non-functional electronic items at the designated collection point in the school premises.

- **Collection Dates:** 14 October, 2026 to 20 October, 2026
- **Collection Point:** Office side on each floor
- **Items Accepted:** Chargers, mobile phones, headphones, cables, batteries, keyboards, mouse, and other small household electronic waste.

We urge all stakeholders to support this noble initiative and take a step forward toward a sustainable and cleaner future for our planet.

Let us collectively contribute to **Mission LiFE** by ensuring that electronic waste is handled with care and responsibility.

Parents are requested to give their consent in the school diary and submit it along with the e-waste items.

Parent's Consent for E-Waste Collection Drive

I hereby give my consent for my ward to participate in the E-Waste Collection Drive and submit old, non-functional electronic items for responsible recycling.
