Dear Parents, Greetings!

**OLD UNIFORM COLLECTION DRIVE – A STEP TOWARDS
SUSTAINABILITY**

As part of our commitment to environmental responsibility and social consciousness, the school is organising an **Old Uniform Collection Drive**.

We request you to kindly send your ward's old school uniforms that are no longer in use but are in neat and wearable condition. **The uniforms should be washed, neatly ironed, and properly packed before being sent to school.**

The collected uniforms will be creatively upcycled into useful items such as bags, blankets, pouches, and other products that will be used for a noble cause. Through this initiative, we aim to reduce textile waste while nurturing the values of compassion, sustainability, and responsible citizenship among our students.

We encourage every family to support this meaningful endeavour and help us make a positive difference—**one uniform at a time**.

Collection Period: 28th July 2026 to 31st July 2026

Students may submit the uniforms to their respective class teachers.

Let us join hands in giving old uniforms a new purpose and contributing towards a greener, more sustainable future.

With Regards

Simmi Juneja

Principal
