REPORT ON DIWALI CELEBRATION

“As You illuminate your surroundings, remember to brighten someone else’s day.”

The festival of lights, Diwali, was celebrated with great enthusiasm and festive spirit at DAV Public School, Thane. The celebration aimed to spread happiness, promote cultural values, and encourage students to share joy with others through meaningful activities.

Believing that the true celebration of Diwali lies in spreading light to those in need, the school took a compassionate step forward. A charity initiative - ARPAN: “Share Because You Care” was undertaken by DAV Public School, Thane. As part of this noble initiative., students from Classes I to V actively participated in spreading light and love. Parents and students contributed generously by sending essential items such as food grains, toiletries, soap, washing powder, toothpaste, and stationery. These items were collected in school and later distributed to needy people and various NGOs.

Under the guidance of Mr. Sanjay Pakhre, the school’s Laboratory Head, was sent to NADE, an NGO working for visually impaired people. The school also sent sweets and handmade diyas prepared by the students to NADE. Additionally, sweets and handmade diyas were sent to the Air Force Station at Kolshet, Thane to express gratitude and extend festive greetings to the personnel stationed there.

In addition to this noble initiative, students across all classes participated in creative classroom activities:

Classes I & II: Made beautiful diya patterns and colourful paper lanterns to represent light and joy.
