

## **President's Message on NEW YEAR 2021**

Dear brothers and sisters,

On the eve of the New Year 2021, I convey to you my warm greetings. We are about to bid adieu to the year 2020 which, owing to the pandemic conditions, posed many challenges to the entire mankind. Like all other sectors, the education sector too faced difficulties. With the prospects of the vaccine coming soon, I hope that DAV Institutions will soon be back to normal.

For this new year, let us pledge to follow the path shown by Maharishi Dayanand ji to inculcate in our children the values of reverence, devotion, service and co-operation.

Let the DAV institutions spread the message of divine love and peaceful co-existence.

During these difficult times, I request you all to wear masks, maintain social distance let us take full care of your health, because it is only then that we will have the strength to serve God's creations - whether it be man, animal or the environment. I pray to the Almighty to give us the strength to serve and strengthen the DAV movement while the sound of AUM resonates from every heart.

I convey seasons greetings to the entire Arya Samaj and the DAV fraternity. Have a great year ahead. KEEP SMILING!
