Dear Parents, Greetings!

D.A.V. Public School, Thane in association with the Indian Association for the Blind (IAB), is extending its support towards the education and rehabilitation of visually challenged individuals.

The Indian Association for the Blind (IAB) is celebrating International White Cane Day, an occasion dedicated to creating awareness about the potential, capabilities, challenges and difficulties faced by visually challenged individuals. The day also highlights the importance of promoting independence, dignity, inclusion and equal opportunities for persons with visual disabilities.

As a part of this noble initiative, we kindly request parents to contribute **₹10** towards this cause as voluntary donation. Students who contribute will receive (a small flag)- INTERNATIONAL WHITE CANE DAY For the Blind.

Even a small contribution can make a meaningful difference in supporting the education, rehabilitation and empowerment of visually challenged people.

We sincerely appreciate your generous support and participation in this humanitarian initiative. Your contribution will go a long way in helping create a more inclusive and compassionate society.

Let us join hands to empower, educate and enable!

We thank you for your continuous support and co-operation.

Warm Regards

Simmi Juneja
