FOSTERING GREEN CHAMPIONS

**Dear Parents,
Greetings!!!**

Subject: Contest for Plastic waste collection from school

D.A.V Public School, Thane in association with The Triumph Foundation, a Charitable Trust under the umbrella of the Rotary Club of Thane Hills (RCTH) has organized a mega initiative for plastic waste collection and recycling for our very own Thane city. To take this programme forward, RCTH has partnered with the N.G.O (Samarth Bharat Vyaspeeth).

Working in this direction, RCTH is initiating a competition for plastic waste collection amongst the educational institutions of Thane. The goal for each student (Std I to X) is to collect the maximum amount of plastic waste from their respective homes and deposit it in the school premises at pre decided bin location. The dates for submission will be intimated by the respective class teachers.

The vehicle will be visiting each school in accordance to a pre decided schedule. At the end of every month, top three schools will be rewarded for the maximum collection of plastic waste.

We look forward for your whole- hearted participation and support in this sincere endeavour of ours.

Regards

**Mrs. Simmi Juneja
Principal**
