

**D.A.V.PUBLIC SCHOOL, THANE**

**SECONDARY SECTION**

**YUVA TOURISM CLUB**

With the aim of developing young ambassadors to boost tourism and create awareness on the rich cultural heritage, and ignite a passion, Yuva Tourism Club of the school intend to encourage learners to appreciate the importance of tourism, sensitize learners regarding elements of travel, and promote responsible & sustainable tourism practices. These clubs will also promote national integration and carry forward the vision of Ek Bharat Shreshtha Bharat. This is also in line with Dekho Apna Desh initiative of the Prime Minister.

The school has taken students to Artillery Museum Visit at Nashik where the students could see the tanks, guns, cannons and a range of artilleries used in conventional warfare. The students had a thrilling experience as they got to know the weapons used by the soldiers in multiple wars. The students were also

museum of naturally formed minerals and gem stones found in open mines wherein they got to know the difference in colour, lustre, their use in jewellery making, market demand and economic value.

Students of Std VI were taken to Monterio Village Resort where they got to witness pottery workshop. They were shown the types of potteries and how they are made. Students were also taken to Village farms and got to know a variety of flora and fauna, explore the practice of organic agriculture, cow dung cake making,

composts, Gram Panchayat houses and even tried their hand in pottery. The students felt happy by witnessing tightrope walking, a puppet show, and the world of magic mirrors. Students were also asked to make a brochure featuring tourists attractions of any place of their choice.

Overall it was fun coupled with a new learning experience as they got to know more about the village lifestyle. This exposure also made the learning process more practical and interactive as well as introduced the students to different cultures.
