

D.A.V PUBLIC SCHOOL, THANE.
SESSION :2022-23
STD-VI
REPORT ON PICNIC TO MONTERIO VILLAGE

School picnics are full of great fun, experiences, and memories that one cherishes for a lifetime.

The students of D.A.V. Public School, Thane of Std. VI experienced such cherishing moments of their life since a fantastic school picnic was organized on 3 January 2023 at Monterio village Resort situated in Khalapur, Maharashtra.

The students were escorted to an exotic paradise, a destination away from the concrete jungles of the city in a bus at 8.00 a.m. The students and the teachers were welcomed with the beat of drums and tilak on the foreheads. A wholesome breakfast for the children was followed by this. After breakfast, the students were exposed to a life different from what they are acquainted with, precisely the village life.

The students visited places within the vicinity of the picnic arena, like farms, where people made cow dung cakes, compost, wells, tube wells, and many more things which are commonly found near plantations and agriculture. Beautiful gardens having saplings of flowers planted in rows were also a part of the tour. Cowsheds, farming plots, Gram Panchayat houses, Post office, village health Centre and many other places uniquely related to a village were a part of the student's foray of the tour to interesting places.

After deriving pleasure from adventures, sumptuous lunch was served to the students, which they enjoyed to their content.

Soon students uncovered the fascinating world of adventures, wherein they enjoyed activities like net climbing, laser crossing, slides, swings, cycling, etc. They played on trampolines and games like tug of war. The students also were happy to experience amusement by witnessing tightrope walking, a puppet show, trying the art of pottery, and the world of magic mirrors.

The servings of pleasure came to an end with a foot massage for all the students which helped them relax after the tiresome day. The students also on the way back home feasted with a glass of lemonade and a packet of fretters.

The students ate , sang, danced, and gathered cherishing moments of the day. It was a really enjoyable, merrymaking memorable day of their lives. After a joyful day, they returned home safely at 4 p.m. in the evening carrying with them happy memories of the eventful day.
