

D.A.V. PUBLIC SCHOOL, THANE

SESSION: 2022 – 2023

REPORT ON

TITLE/ TOPIC: Report on: Trekking in Yeoor

Date: 1st OCTOBER 2022

ORGANIZED BY: D.A.V Public School, Thane

Students of class 11th started the trip to the Yeoor Hills from their campus. It took them 20 or 30 minutes to reach the destination. Once reached the trekking journey began from the starting point of the trek path. On the trip a visit to the local orphanage was also planned and the students were asked to bring necessities to donate the orphanage for the welfare of the orphans residing there. On their way up students spotted wild monkeys and cows. The forest was lush and cool as the rainy season had just passed.

After some trekking students reached a village situated in the mountains. They were supervised by their school teachers. They were informed beforehand that They had to perform a skit in the village involving social problems such as Save Water. The Skit had been performed beautifully.

After the skit, students continued their journey to the Orphanage which was well deep in the hills. On their way they made a stop to a Goshala in which they fed the cows and interacted with them for some time. After their time with the animals, they were all tired and a school bus was arranged to take them up to the Orphanage which was very far away.

Once there the students had to remove their footwear and maintain decorum so as not to disturb the silence of the Orphanage. Students interacted with the children residing there and donated many necessary items to the orphanage like Toothbrush, Drawing Books, Colour pencils etc. They bid the children farewell and started their approach downwards.

On their way back they were requested by the forest officials to take part in a campaign regarding the protection of the forest and its wild residents. The students happily obliged. After the campaign the students were very much exhausted and were taken back to their campus for some refreshments.

This trekking trip taught the students many things and made them come out of their blank and phone infested lives
