Dear Parents, Greetings!

Availability of Food Items in the School Canteen

In keeping with the recent directives issued by the State Government regarding food and nutrition in schools, the school is taking appropriate measures to promote healthy, nutritious and safe food choices for our students.

Accordingly, with effect from tomorrow, Tuesday, 11 August 2026, the following food items will be available in the School Canteen:

**Banana, Buttermilk, Roti & Sabzi(vegetable),
Idli/Chutney, Dhokla, Dry Bhel, Veg Pulao, etc.**

The school canteen will ensure that the food served to students is prepared and handled with due care, keeping in mind hygiene, nutrition, quality and the well-being of our children.

We seek the cooperation of parents in encouraging children to make healthy and mindful food choices and to avoid bringing or consuming food items that are not in accordance with the prescribed guidelines.

Let us work together to nurture healthy eating habits and contribute towards the overall well-being of our students.

Regards

Simmi Juneja
