

D.A.V. PUBLIC SCHOOL, THANE

SESSION: 2024 – 2025

REPORT ON DAV MUN

MODEL UNITED NATIONS also known as MUN, is a simulation of the United Nations. D.A.V Thane MUN is an extracurricular activity which was held on 14 November 2024 for the students of std III to V in which they will learn about the working of the United Nations. The students learnt about diplomacy, international relations and the United Nations.

The students were given topics which involved them to do their research based on the countries/states given to them. Through this activity, the students got an opportunity to act as delegates of different countries, solve global issues and enhance their speaking, negotiating and debating skills. They also got a chance to gain knowledge about different countries. There were many participants who enthusiastically participated in the GSL. The number of member nations selected for this activity was around 40. The resolutions that were made by the delegates were very effective and well presented.

MUN provides a platform for young leaders to engage in meaningful discussions, develop critical thinking, and enhance public speaking abilities through realistic simulations of United Nations proceedings.

Glimpses of the MUN
