D.A.V. PUBLIC SCHOOL, THANE
SESSION: 2026 -2027
DATE:08.10.2026

Discovering the Magic of Cinema

DAV Public School, Thane, visited **Whistling Woods International**, Film City, Goregaon, Mumbai, on 8th October 2026, to participate in **Celebrate Cinema 2026**, organised by Whistling Woods International in association with Adobe. A total of 185 students from Standards X, XI and XII participated in this enriching experience, exploring the creative and technical dimensions of the film and entertainment industry.

The event offered students valuable exposure to the diverse aspects of cinema through insightful panel discussions, interactive sessions, and hands-on workshops. The programme aimed to nurture creativity and introduce students to emerging opportunities in the media and entertainment industry.

A major highlight was the Q&A session with Rana Daggubati, acclaimed Indian actor, Pan-India star, and entrepreneur. Students also attended engaging panel discussions on Mounting Big Screen Global Cinema in India and a Screenwriters Panel, which explored the art of storytelling and screenplay development.

The workshop programme offered diverse learning experiences in areas such as 2D Animation, Acting Improv, AI Short Filmmaking powered by Adobe Firefly, Film Editing, Screenwriting, VFX Compositing, Theatre Games, and Creative Advertising. These sessions enabled students to understand different aspects of filmmaking and explore their interests in acting, cinematography, animation, visual effects, and direction.

Another exciting aspect of the visit was the opportunity for students to witness how reality shows are shot and produced, offering them a glimpse into the behind-the-scenes processes of television production. Adding to the excitement, the students also got an opportunity to perform on stage, showcasing their confidence, creativity, and enthusiasm. This hands-on experience made the visit even more engaging and memorable.

The visit encouraged students to think creatively, appreciate the collaborative efforts behind cinematic productions, and discover career possibilities in the media and entertainment industry. It was a memorable learning experience that extended education beyond the classroom and inspired students to explore their creative potential.

Through such experiential learning opportunities, DAV Public School, Thane, continues to encourage students to discover their passions, develop new skills, and broaden their horizons.
