D.A.V. PUBLIC SCHOOL, THANE
SESSION: 2026–2027
SWACHHATA ABHIYAN
DATE: 01.10.2026

CLEANLINESS BEGINS WITH US!

DAV Public School, Thane, actively participated in the spirit of cleanliness and civic responsibility by organising a **Swachhata Abhiyan** on 1st October 2026. The initiative aimed to instil the values of cleanliness, discipline and environmental consciousness among students while encouraging them to take responsibility for maintaining a clean and healthy school environment.

As part of the campaign, students enthusiastically participated in cleaning various areas of the school campus. They took the initiative to clean designated spaces and ensure that their surroundings remained neat, hygienic and litter-free. The activity provided students with a practical understanding of the importance of cleanliness and the role every individual plays in maintaining a healthy environment.

The **NCC students took a special interest in the campaign and actively led the cleanliness drive**. Demonstrating commendable leadership, discipline and a strong sense of responsibility, they motivated their fellow students and guided them throughout the activity. Their active involvement reflected the values of service, teamwork and commitment that form the foundation of the NCC.

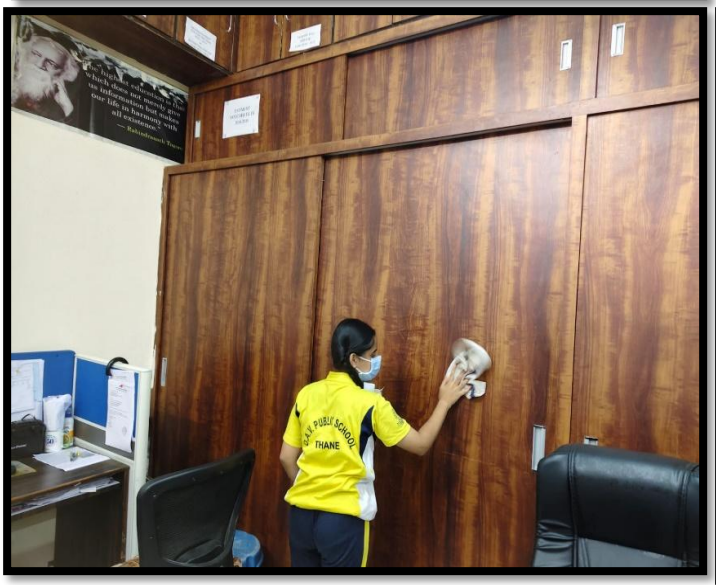

The campaign also reflected the timeless philosophy of **Mahatma Gandhi**, who strongly advocated cleanliness, personal hygiene and community responsibility. By actively participating in the cleaning drive, students upheld Gandhiji's ideals and kept his vision of a clean and healthy nation alive. The activity reinforced the message that cleanliness begins with individual action and that every citizen has a responsibility towards society and the environment.

The campaign served as a reminder that cleanliness is not merely an activity but a collective responsibility and a way of life. It encouraged students to adopt responsible habits, avoid littering and contribute towards keeping their surroundings clean.

Through this meaningful initiative, DAV Public School, Thane, reinforced its commitment to nurturing responsible citizens who understand the importance of cleanliness, environmental protection and community participation. The drive concluded with a renewed pledge to keep the school campus clean and contribute towards building a cleaner and greener nation.
