LET US CELEBRATE OUR MOTHER NATURE WITH LOVE & RESPECT

“Let’s nurture the nature so that we can have a better future”

In conjunction with Environment Day, D.A.V. Public School, Thane is organizing a series of activities under the **Environment Club** to provide a platform for students passionate about Environmental protection and sustainability.

Environment Day is an opportunity to reflect on our responsibility in preserving the planet. It reminds us of the need to adopt sustainable practices for a cleaner, greener future.

This year’s theme, **“Beat Plastic Pollution,”** highlights the urgent need to reduce plastic waste and embrace eco-friendly alternatives.

As part of this initiative, the Environment Club will conduct a range of creative activities that encourage students to showcase their talents and express their ideas on environmental issues, with a special focus on plastic pollution and its solutions.
