- Students are to follow the above practical assessment schedule and report to school on time.
- No school transport will be available on the days of practical. Parents have to drop and pick their ward from school after the practical, or else, parents are to compulsorily send consent note in the dairy, if the students are going on their own.
- Students will directly report to waiting room after reaching school. They will be directed for practical from waiting room.
- Lab coat is mandatory for science practical.
- Students to prepare well for practical and viva voce as it is the part of internal assessment.

Wishing you good luck!!

Regards

Ms. Simmi Juneja
