Dear Parents, Greetings!

The past two years have deeply impacted the students and the education system leading to major learning gaps. It has become critical to identify these gaps and work with individual students and assist in their expedited learning.

We have always strived to provide the students with an opportunity for learning and self- assessment. We are sharing the details of the **Unified International English Olympiad for the year 2022-2023**, which is optional.

IMPORTANT: Interested parents can enrol their wards for the same. Parents are requested to make a careful note of the payment schedule. Late entries will not be entertained.

This Exam is optional and only interested students can make their payment to the class teacher by 10th August 2022.
