REPORT ON AWARENESS CAMP ON USE OF BIODEGRADABLE SANITARY PADS

A session was conducted on **21 October, 2022** for girls of std 8th Std. by Ms. Shradha Dalvi More (M. COM, CS, LLB). The session mainly focused on making the students understand the difference between biodegradable and non-biodegradable pads. The cons of using non-biodegradable pads and pros of using biodegradable pads were discussed. A demo has been shown to the students to understand the difference between both and also students were explained how biodegradable pads are environmentally friendly and does not cause any harm to the environment.

The session was concluded by spreading awareness among girls and making them more responsible towards hygiene and environment.
