FREEDOM IN THE MIND, STRENGTH IN THE WORDS, PURENESS IN OUR BLOOD, PRIDE IN OUR SOULS,  
ZEAL IN OUR HEARTS, LET'S SALUTE OUR INDIA ON **REPUBLIC DAY**.

D.A.V. Public School, Thane celebrated the 72nd Republic Day of India through online virtual classes on Tuesday 26 January, 2021 in adherence to the COVID 19 protocol, with the patriotic fervour and zest by organizing many online fun activities for classes from Std VI to Std X.

***“Everyone who is born in this great land has only one identity- we are all Indians”.***

Republic Day is a remarkable day in the history of India, as the Constitution of India finally came into effect on January 26, 1950. The rendition of the national anthem was played; it was a moment of glory to all. Students therefore rendered significance to the momentous occasion. Being in their homes safely they could experience and witness various performances done by the students through some fabulous videos made by the computer department.

Every year this day is celebrated with great pomp and show but this year it was different as children were at home but the enthusiasm was as high as they had for all the past years. In DAV we teach our children to strive for good for the nation, to love and respect the nation and its national heritage. The numerous struggles and sacrifices of our freedom fighters for the attainment of independence and our soldiers were remembered. Various presentations were given by the students in form of dance, instrumental, poetry which filled the students with a feeling of patriotism and dedication.

Meanwhile in the school ground, the flag hoisting ceremony was done. Honourable Chief guest Shri Deoramji Bhoir, respected principal ma'am Mrs. Simmi Juneja along with the coordinators, graced the occasion with their benign presence. To mark the importance of the occasion Toppers of the Aptitude Test were felicitated by Principal ma'am.

The curtain of the ceremony fell with the hope to return back to normal soon with students across all classes pouring in and the school regaining its vibrancy and energy.
